

ONEALDWYCH

London's cultured, independent hotel

Stay Longer

Nestled in vibrant Covent Garden, One Aldwych stands out as one of the few truly independent hotels in London (or indeed the world). Our contemporary retreat blends sophisticated design with the energy of the West End, ready to welcome and host with a unique charm and thoughtful service. More than just a place to stay, One Aldwych feels like a home away from home for the culturally curious and for Londoners at heart.

Because why stay three, when you can stay four?

Give yourself more reasons to embrace the excitement of London and enjoy an extended break with us. Immerse yourself in local culture and get to know Covent Garden on the inside with brunch, ballet, boutiques, cocktails, theatre, exhibitions and the little-known corners of the city that we think you'll love. Designed to be more than just a place to lay your head, One Aldwych embraces a contemporary, stylish character ready to host, cocoon and enchant.

There's always an excuse to stay longer in London.
